TC Headley Wins 2023 Bluehost Creators Award for Thurman Perry Foundation Website Design

June 1, 2024

Fort Lauderdale, Florida, June 1, 2024 – V3 Inbound CEO TC Headley was chosen as one of the winners of the 2023 Bluehost Creators Award for her design of The Thurman Perry Foundation’s website among thousands of WordPress creators around the world.

V3 Inbound CEO TC Headley received 8th place in the self-creators category for her website design. She serves as the director of technology and the executive board chair of TPF. A major part of her duties is to maintain and update the websites owned by the foundation. She is a long time WordPress creator and loyal Bluehost customer. Winners of the award received cash prize, one year of free Bluehost hosting, and media exposure and publicity.

“I’ve often said that The Thurman Perry Foundation’s website is some of my best and most important work. Having been with the organization since the beginning, the website has grown along with the foundation. It is truly a labor of love and a project that I am extremely proud of. I am so happy that Bluehost and the selection committee recognized my efforts with this award.” – TC Headley, V3 Inbound Marketing LLC CEO.

Bluehost is a top-rated global web hosting provider that enables individuals and companies to easily make their websites available on the internet. The Bluehost Creators Awards are the company’s way of recognizing and celebrating the best WordPress websites and their creators around the world. The award honors the talent and effort of creative professionals, business owners, bloggers, and students building on WordPress.
