## V3 Inbound Chosen as 2022 Comcast RISE Recipient

November 22, 2022

Fort Lauderdale, Florida, Nov. 22, 2022 – V3 Inbound Marketing LLC selected as one of 100 small business recipients in the Greater Miami Metropolitan Area of the 2022 Comcast RISE grant designed to help small businesses and their communities grow and thrive.

The Comcast RISE Investment Fund awarded 500 grants totaling \$5 million to small businesses owned by people of color or women located in Chicago, Illinois, Miami, Florida, Oakland, California, Seattle, Washington, and Washington, D.C. 100 small businesses were chosen from each city. The grant included \$10,000 of monetary funding, marketing and technology services from Comcast, and one full year of business coaching provided by ZenBusiness, an all-in-one platform that provides tools, services, and support to start, run, and grow successful businesses.

“Winning the Comcast RISE grant saved my business. The Covid-19 pandemic was devastating to a lot of small businesses, and ours was no different. Recovery from losing many of our clients and pausing operation for months was slow. We used the funding for new and updated software that allowed us to take on larger and more complex projects. The included business coaching and courses were integral to our growth.” – TC Headley, V3 Inbound Marketing LLC CEO.

Comcast RISE (Representation, Investment, Strength, and Empowerment) is a program of Project UP, a billion dollar initiative between Comcast, NBCUniversal, and Sky to improve internet connectivity, economic mobility, and create opportunities for tens of millions of people around the US. Since its inception in 2020, it has supported 13,500 small business owners with over \$125 million dollars in monetary grants, technology, and marketing assistance. V3 is proud to be among that number.
